

# I'll Never Stop (Loving You)

From the album *100 PERCENT*, written by Gary L. Vincent, BMI

**Line 1:** My heart can feel the glory of the coming of tomorrow  
But right now I'm stuck right here in a world filled with sorrow  
Girl, I don't know where you're coming from  
Or where you're going to  
But like time I'll never stop loving you

**Line 2:** Oh my heart beat with the rhythm of your sigh so warm and tender  
And one look into your eyes and my mind solely surrenders  
Oh, I'd surely get you baby  
If I only had a clue  
But like time I'll never stop loving you

**Chorus:** I'll never stop through the ages  
I won't stop through and through  
Girl, I've got my destination and it's coming into view  
  
Just put your faith in me now girl,  
You never will be blue  
'Cause like time I'll never stop loving you

**Line 3:** Oh my heart can feel the glory of the times when we're together  
And no matter what we face our love will brave the weather  
Until the day I die now darling this I promise you  
Like time I'll never stop loving you

**Chorus:** I'll never stop through the ages  
I won't stop through and through  
Girl, I've got my destination and it's coming into view  
  
Just put your faith in me now girl,  
You never will be blue  
'Cause like time I'll never stop loving you

*(Repeat Chorus)*
