

Passion, Pleasure, & Pain

From the album *Passion, Pleasure, & Pain*, written by Gary Lee Vincent, BMI

Intro: Today is like no other day I've ever known
Babe I'm living without you and I walk these streets alone
But that's okay, I'll find a way

Tonight is like no other night I've ever seen
I pass you on the street and girl you look so cold and mean
But that's okay, I'll find a way (over you)

Line 1: I see you looking back
What are you looking at?
Girl, I've got nothing to say to you

I've been here all alone
Waiting by the telephone
For you to call me but you never do

Chorus: Passion, and pleasure, and pain
Wading through fire and rain
Loving and laughing and going insane
Oh this passion, and pleasure, and pain

(Guitar instrumental)

Line 2: I've seen it all before
Loving arms and slamming doors
Nights alone just me and you

When I asked you to be my girl
To try to love in this crazy world
The end result is nothing new

Chorus: Passion, and pleasure, and pain
Wading through fire and rain
Loving and laughing and going insane
Oh this passion, and pleasure, and pain
-- Passion, and Pleasure, and Pain

Repeat Chorus
