

Pushing Up Daisies

From the album *Passion, Pleasure, & Pain*, written by Gary Lee Vincent, BMI

(Slow / Moderate)

Line 1: I just can't take another day – I just can't take another night
I just can't take the fact he's by your side
You know it happens every time – I waste these words, I waste these lines
For just this once I wish you'd run back to me

Buildup: And as I see you slowly turn to walk away
The colors of my rainbow start to fade to gray
And you'll never know the way that I feel inside!

Chorus: Pushing up daisies – love's getting lazy
Pushing up daisies – love's getting lazy
Pushing up daisies – love just dies without you
Love just dies without you

Line 2: I see the rain is coming down – Another place, another town
I just can't think about the nights we'll miss
Wishing you were by my side – Just to say we never tried
As you slip right through my fingertips

Buildup: And as I see you slowly turn to walk away
The colors of my rainbow start to fade to gray
And you'll never know the way that I feel inside!

Chorus: Pushing up daisies – love's getting lazy
Pushing up daisies – love's getting lazy
Pushing up daisies – love just dies without you
Love just dies without you
