

Roll On

From the album *Passion, Pleasure, & Pain*, written by Gary Lee Vincent, BMI

(Slowly)

Line 1: Sitting at a restaurant, I start to think of you
Thinking about the times we shared and the love that we once knew
Thinking these thoughts just brings me down
To face the bitter truth
It's just another day, another night – without you

Chorus: So roll on baby, roll on
Until your memories are gone
Through these days and nights I'll just keep
Carrying them on

You're somewhere in the night
And I'm somewhere lost in time
So roll on baby, roll on – Out of my mind

Line 2: Getting back on the highway, the road becomes my friend
Wishing you were by my side, on these nights that never end
Wishing I could turn back the clock
To a time when love was strong
But I can't, so I guess I'll just keep rolling on

Chorus: So roll on baby, roll on
Until your memories are gone
Through these days and nights I'll just keep
Carrying them on

You're somewhere in the night
And I'm somewhere lost in time
So roll on baby, roll on – Out of my mind

Tag: Yes girl you're somewhere in the night
And I'm somewhere lost in time
So roll on baby, roll on – Out of my mind
